

**Dr. Joti Samra, R. Psych. & Associates / MyWorkplaceHealth**

Contract opportunity for a Vancouver-based Registered Psychologist

Dr. Joti Samra, R. Psych. & Associates / MyWorkplaceHealth comprise a Vancouver-based team of psychological and counselling associates dedicated to enhancing individual and organizational psychological health and wellness via delivery of high-quality assessment, treatment and consulting services.

We are seeking a Registered Psychologist with interest/experience in workplace mental health to join our team! This is a contract-based, associate position with substantive room for growth – our ideal candidate is interested in a long-term associate relationship with our practice. This a unique opportunity to gain experience working with a team that has national expertise in Psychological Health & Safety (PH&S) in the workplace, working under the supervision of Principal & Founder, Dr. Joti Samra, R. Psych.

**Duties & Responsibilities**

- You will provide in-office and telehealth-based assessment and treatment services.
- You will, over time, potentially support in the role of supervising the Registered Clinical Counsellors on our team.
- You will be involved in consulting and training activities (e.g., workshops, webinars) relating to psychological health and wellness and workplace psychological health & safety.

**Qualifications**

- Completion of a recognized doctoral degree program in Clinical Psychology or Clinical Neuropsychology from an APA/CPA accredited program.
- Registration (or eligibility for registration) with the College of Psychologists of British Columbia (opportunities for supervised practice will be considered for the right candidate).
- Proficiency with technology is required, given that in addition to office-based services we offer clinical services through web-based telehealth platforms.

**Closing Date:** Until the position is filled.
